

## COMMITTEES OF THE GREENS AT HAWK VALLEY

Our community thrives when we work together. We are currently looking for passionate residents to help shape the future of our neighborhood! Whether you have a green thumb for the **Landscaping Committee**, a keen eye for detail for the **Building Committee**, or a knack for planning the perfect block party for the **Social Committee**, there is a place for your talents. Volunteering is a fantastic way to meet your neighbors, protect our property values, and ensure our community remains a place we are all proud to call home. No previous experience is required—just a willingness to contribute a few hours a month and a desire to make a positive impact.
